

International Symposium on Artificial Intelligence & Machine Learning.

Program Details: (09 October 2017)

Time	Event	Speaker
9:00-9:15	Last-Minute Registrations	-
9:15-9:20	Tilawat	
9:20-9:30	Welcome Note	Principal SEECS
9:30-9:40	Chief Guest's Address	Chief Guest
9:40-10:30	Automatic Handwriting Recognition	Dr. Marcus Liwicki (University of Fribourg, Switzerland)
10:30-11:00	Model-based 3D object Tracking	Dr. Ulrich Schwanecke (Professor, RheinMain University of Applied Sciences, Germany)
11:00-11:30	Tea-Break (Visit of Innovation Hub for SEECS Projects Display)	
11:30-12:00	Multi-modal Photo-Graphics Retrieval	Dr. Adrian Ulges (Professor, RheinMain University of Applied Sciences, Germany)
12:00-13:00	ML & AI in Medical Imaging (Basics, Challenges & Opportunities)	Dr. Hassan Aqeel Khan (Assistant Professor, NUST SEECS)
13:00-14:00	Lunch Break	
14:00-15:00	Automatic Speech Recognition (Basics, Hidden Markov Models and Deep Neural Networks)	Dr. Muhammad Ali Tahir (Assistant Professor, NUST SEECS)
15:00-15:30	Automatic Fish Classification using Machine Learning	Dr. Faisal Shafait (Associate Professor, NUST SEECS)
15:30-16:30	AI Meets IoT	Dr. Faisal Rashid (Assistant Professor, University of Engineering & Technology Lahore)
