

PG STUDENTS JOINING INSTRUCTIONS SEECs – NUST 2026

**SCHOOL OF ELECTRICAL ENGINEERING
AND**

COMPUTER SCIENCE (SEECs)

(A CENTRE FOR QUALITY EDUCATION AND RESEARCH)

Introduction

1. Welcome to the National University of Sciences and Technology (NUST) School of Electrical Engineering & Computer Science (SEECs), a distinguished institution recognized among the top engineering schools in the country. With a forward-looking vision, SEECs has made significant strides in research, industry collaborations, and student employment.
2. The institute offers unparalleled opportunities for postgraduate students to develop and enhance their skills, preparing them for immediate employment or entrepreneurial ventures. Our state-of-the-art on-campus laboratories provide students with the hands-on experience needed to complement their classroom learning and advance research in their respective fields.
3. One of the key benchmarks established by SEECs for ensuring a bright future for our students is our rigorous accreditation process, which facilitates employment opportunities immediately after graduation. The curriculum is meticulously designed to bridge the gap between academia and industry, equipping students with the relevant skills needed in today's dynamic job market.
4. We strongly encourage you to leverage your talents, pursue your interests, and make full use of the resources and facilities available to you at SEECs website <https://seecs.nust.edu.pk>
