

## Student Symposium on Artificial Intelligence (Say Hello to the Future)

We encourage students to inspire creativity and leadership in the discovery of new knowledge that makes a direct difference to people around the world. **Deep Learning Lab, National Center of Artificial Intelligence NUST** along with multiple collaborators, brings an opportunity to research enthusiasts to interact one-on-one with AI Experts and get their valuable feedback on their research idea.

The students are encouraged to participate and utilize this platform to gain exposure to recent research trends and ideas.

Interested students are required to fill out the [form](#) in order to get shortlisted for participation. The **due date** to apply is **9th September 2022** (Friday).

**Venue:** Pak-Austria Fachhochschule - IAST, Khanpur

**Timings:** September 15, 2022 | 11:00am to 2:30pm

**Organizer:** Dr. Faisal Shafait (*SEecs*) and Dr. Adnan ul Hasan (*DLL, NCAI*)

*Transportation facility will be provided by NUST.*
