Research Assistant Position

We are currently seeking a Research Assistant to work on the funded project *Development of Prototype for AI-based Detection of Malware*. The candidate must have knowledge and hands-on experience in the areas of malware detection and machine learning. Applicants with a strong background in the above-mentioned areas are encouraged to apply.

Additional Requirements:

- Bachelors/Masters in Software Engineering/Computer Science/Information Security or equivalent from a HEC-recognized university with a minimum CGPA of 3.5. UG students currently in their final year and MS students in their first year are also eligible to apply.
- Advanced programming and scripting skills
- Excellent understanding of machine learning / deep learning.
- Strong command of written and spoken English
- Above-average work ethics: punctual, committed, eager to learn, hardworking, and honest.
- Be willing to perform other duties assigned by PI.

How to Apply:

Please send us your CV and a cover letter (stating your motivation and why you are suitable for the advertised position) to sana.qadir@seecs.edu.pk. The application deadline is 9th January 2023.
