

Join Our Team at Deep Learning Lab, NCAI and TUKL Lab, SEECs NUST!

Job Title: Research Associate

Job Category: Research & Development

Qualification Required: BS in Computer Science (CS), Information Technology (IT), Software Engineering (SE), or related fields.

Experience: 1 Year

Requirements:

As a Research Associate, you will take on more advanced responsibilities and projects, requiring expertise in:

- **Advanced Knowledge:** In-depth understanding of Machine Learning, Deep Learning, and related algorithms.
- **Research Skills:** Proven ability to conduct independent research and publish findings in reputable journals or conferences.
- **Technical Proficiency:** Strong programming skills in Python, with substantial experience using frameworks such as PyTorch, TensorFlow, and other relevant tools.
- **Project Management:** Experience in managing research projects, including proposal writing, project planning, and team coordination.
- **Leadership and Collaboration:** Excellent leadership qualities, communication skills, and the ability to mentor junior researchers while working effectively within a team.

Job Title: Research Assistant

Job Category: Research & Development

Qualification Required: BS in Computer Science (CS), Information Technology (IT), or Software Engineering (SE)

Requirements:

As a Research Assistant, you will engage in various projects, applying your expertise in several key areas:

- **Foundational Knowledge:** Understanding of Machine Learning and Deep Learning principles.
- **Programming Skills:** Proficiency in Python, with experience using frameworks such as PyTorch and TensorFlow.
- **Application Development:** Experience in end-to-end application development is highly desirable.
- **Interpersonal Skills:** Strong communication skills, a collaborative attitude, and the ability to work both independently and within a team environment.

How to Apply:

If you meet the qualifications and are enthusiastic about contributing to cutting-edge research, please submit your CV to ai@seecs.edu.pk by **July 10, 2024**.

Be a part of our innovative team and contribute to groundbreaking research in the field of Deep Learning and AI!
